

Guidance Notes for Train to Gain Level 3 Trials

The following guidance applies to all applications for Level 3 Trials. It is important that you read this guidance prior to completing your application.

- All applications for the Level 3 Trials are to be made via the Regional Response Fund
- Application forms for the Regional Response Fund can be found on this website and will be categorised as follow:

Existing Providers (Fund B)

If you currently hold an existing contract with the LSC via Fund B you will only need to complete the *Regional Response Fund - Initial Proposal* and *ONA*. We will not set a limit on the number of learners you can apply for, and your application will be subject to the approval of the Local Partnership and regional Train to Gain teams.

Existing Providers (Fund C)

If you currently hold an existing contract with the LSC via Fund C, you will only need to complete the *Regional Response Fund – Initial Proposal* and *ONA*. We will not set a limit on the numbers of learners you can apply for, and your application will be subject to the approval of the Local Partnership and regional Train to Gain teams.

Please note that applications will be judged on past performance for existing providers

New Provider

If you are a new provider and do not already hold a contract with the LSC, you must complete the '*Application to deliver Regional Response Training form*' in full. We will limit the numbers of learners that you can initially apply for to a maximum of 100, and your application will be subject to the approval of the Local partnership and regional Train to Gain teams

If you require any additional information please contact Collette Warner at Collette.Warner@lsc.gov.uk
