

JOINT INVESTMENT FRAMEWORK

East Midlands Joint Investment Framework (JIF)

Introduction

The JIF is a partnership between NHS East Midlands, the Learning and Skills Council and Skills for Health to invest in training NHS staff in Agenda for Change pay bands 1 to 4 across the East Midlands region. NHS East Midlands and the LSC will match their investment in training £ for £. The JIF is focused on the delivery of Skills for Life/entry level and qualification levels 2, 3 and 4 of the National Qualification Framework.

In order to successfully track the impact and progress of the JIF and the LSC investment in training these learners, it is vital that all NHS employees and staff of GP and NHS dental surgeries participating in LSC funded training are identified on the ILR in sections A47 a and b and section A49.

Instructions for completing ILR Fields A47 and A49

A49 - Enter SP008 in this section for any JIF funded learner to identify them

A47a - This identifies which Trust employs the learner. This is a 3 digit code unique to each of the 23 Trusts. Attached is an A to Z list of all NHS organisations across the region, the Trust they belong to and the relevant 3 digit code to be entered into A47a.

Example: A learner employed by 'Alvaston Medical Centre' would be part of 'Derby City PCT' and you will need to enter code '103'.

A47b - This identifies the Pay Band of the learner - only employees identified above can participate in the JIF.

Please enter either **01**, **02**, **03** or **04** as appropriate. You will need to ask the learner to disclose this information.

An example ILR is provided at the end of this document. Could we please ask you to forward this document to any of your colleagues for whom this information would be relevant.

Any queries on how to complete the information should be directed to Andrew Potterton.

Email: andrew.potterton@lsc.gov.uk **Tel:** 0116 228 1870

Thank you for working on this with us

Julie Mather, Regional Skills Development Manager
Learning and Skills Council, East Midlands Regional Team

For: Enrolment Officers, MI Managers and Advisers / Officers, Student Services Advisers / Managers, Placement Advisers / Officers, Apprenticeship Teams, Train to Gain Teams, Front Line Service Staff delivering IAG and Workforce Development Teams.

L28 Eligibility for Enhanced Funding

Data Protection Act 1998. The information you provide will be passed to the Learning and Skills Council (the LSC). The LSC is responsible for funding planning and encouraging education and training for young people and adults in England, and is registered under the Data Protection Act 1998. The information you provide will be shared with other organisations for the purpose of administration, careers and other guidance, and statistical and research purposes. Other organisations with which we will share information include, the Department for Education and Skills, Connexions, Higher Education Statistics Agency, Higher Education Funding Council for England, educational institutions and organisations performing research and statistical work on behalf of the LSC or its partners. The LSC also administers the learner registration service (LRS) which will use your information to create and maintain a unique learner number (ULN). The LSC is also a co-financing organisation and uses European Social Funds from the European Union to directly or indirectly part-finance learning activities, helping develop employment by promoting employability, business spirit and equal opportunities, and investing in human resources. Further information about partner organisations and the ULN and what they do may be found at www.lsc.gov.uk/providers/Data/help/ and by following the links to data protection. At no time will your personal information be passed to organisations for marketing or sales purposes. From time to time students are approached to take part in surveys by mail and phone, which are aimed at enabling the LSC and its partners to monitor performance, improve quality and plan future provision.

Tick box L27a if you do not wish to be contacted by the LSC or its partners in respect of surveys and research. The LSC values your views on the education or training which you receive, and will use these to help bring about improvements for learners in England. L27a

The LSC or its partners may wish to contact you from time to time about courses, or learning opportunities that are relevant to you. Please tick box L27b if you do not wish to be contacted about courses or learning opportunities by post. L27b
