Mayor of Erewash Celebrates Learners' Success

Erewash Learning and Skills Group hosted a lavish evening of celebrations at Morley Hayes Hotel on Thursday 5th July to acknowledge the achievements of 20 adult learners in Erewash.

The evening paid tribute to adults between 20 and 60 years old who have overcome tough obstacles and barriers, demonstrated commitment and dedication to achieve real results.

A generous buffet preceded the presentations with tables decorated by beautiful floral displays made by adult learners from Surestart Erewash. Partnership Director, Kevin McCann from the Derbyshire Learning and Skills Council gave a short speech to 100 guests before inviting the Worshipful the Mayor of the Borough of Erewash, Councillor Eileen Knight, to join him on stage to present the certificates.

Kevin McCann said: "All of the winners have worked extremely hard to achieve their certificate and they truly deserve to be recognised and praised. This is a proud day and I'm pleased there are so many family and friends here to witness what they have all achieved through their hard work and dedication."

Guest speakers, family, friends and tutors gathered round as entertainment was provided by the talented Flute Choir from the South East Derbyshire Music Centre as the evening ended on a high note.
