

Apprenticeship Vacancies - recruitment made easy

Advertise your vacancies online

Apprenticeship vacancies – an online system that matches candidates with prospective employers; makes it easy for you to advertise Apprenticeship vacancies and for potential candidates to apply. It's convenient because it allows you to manage the recruitment process in one place, online. It should enable you to find the perfect match for each Apprenticeship opportunity you advertise.

The system matches your vacancy with suitable candidates and contacts them to invite them to apply. Thousands of candidates are searching for opportunities at any one time. The system will handle the applications for you – it couldn't be simpler!

Other benefits to your business

- There's no charge for the service!
- Opens up your vacancy to a wide pool of excellent candidates
- Utilises latest technology and offers a 'green' recruitment solution
- Funding is available to help with training your new recruit

The word from employers

“If other employers are considering recruiting an apprentice this is a cost effective and reasonably easy method for finding the right candidate.”

Hilary Bowen of the Chesterfield Drive Practice

“The big challenge in the past has been finding people. This will be made easier with the recent establishment of Apprenticeship vacancies.”

Peter Foster, Director of Hugh j Boswell Ltd
