

# Bringing Learning Alive

Leading learning and skills

You are invited to find out more about the unrivalled skills investment that is taking place in Thurrock and learn how the Learning and Skills Council Essex is responding to the challenge of transforming learning and skills.

The Competition Process in Thurrock has a single aim to transform the local skills and learning markets and equip Thurrock's 16-19 year olds with high-level, appropriate skills in specific sectors which are likely to dominate the local economy in the next decades.
