STRAND 4: Monitoring and Challenge

- The work that Essex undertake with their LA and schools on the review of the performance of their school sixth forms has been included as an example of good practice in the national guidance on the support and challenge agenda for sixth forms.
- The LSC funded post-16 improvement team in Suffolk have been working with National Office to support the LSC's new role in school sixth form improvement through partnerships with LAs. Partnership working with Aimhigher Suffolk has seen 'Flightpaths' software provided to all sixth forms to support improved progress monitoring for individual students.
