

Targets to 2020

Young People

- Increase educational achievement with the aim of preparing every child and young person with the knowledge and skills to succeed in education and life

Adults

- Improve the skills of the population by 2011, consistent with the aim of having a workforce that has a world-class skills base capable of sustaining economic competitiveness by 2020

Key Messages

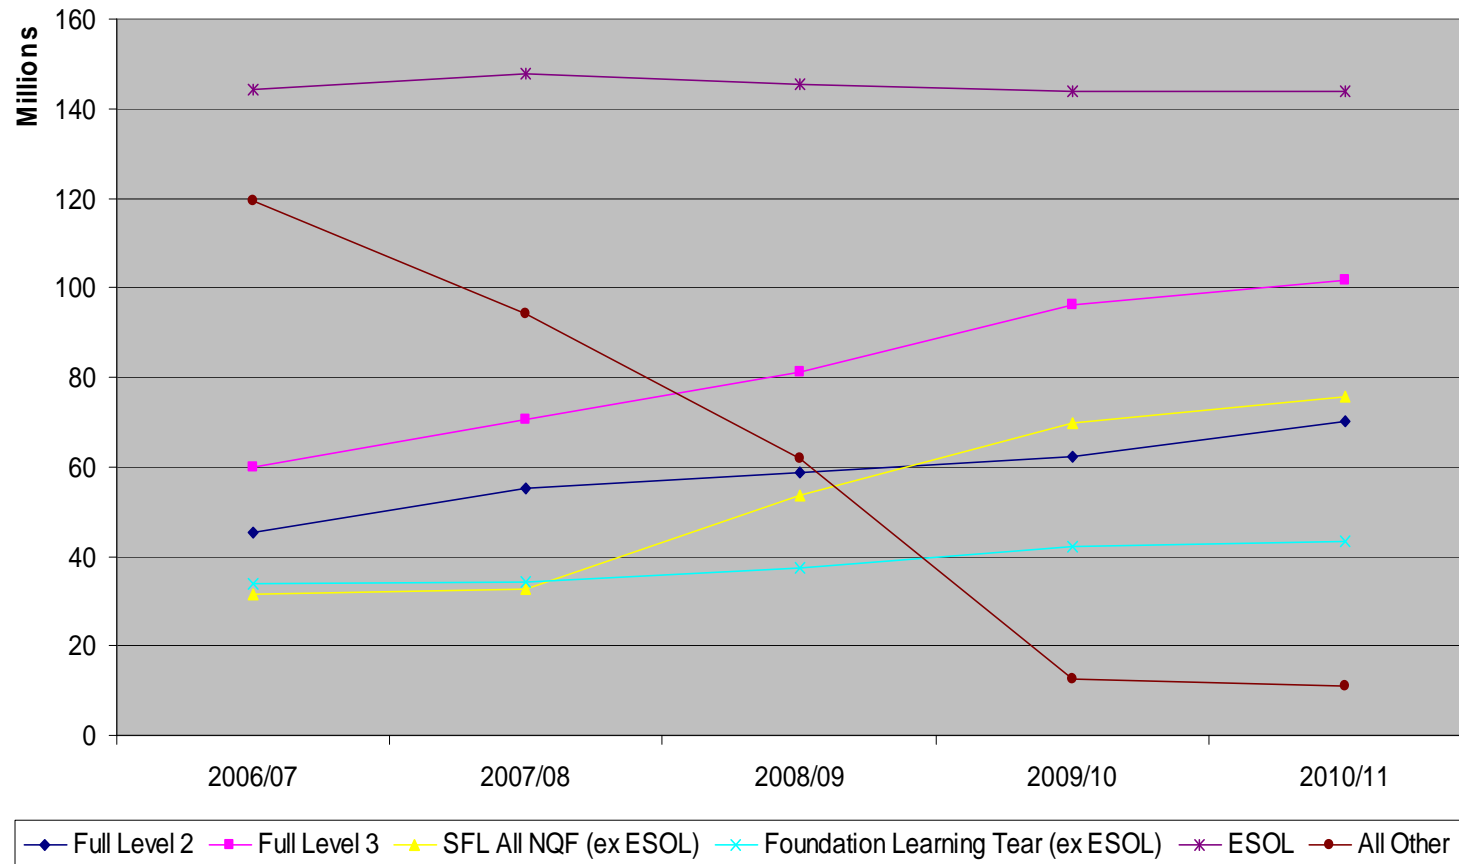

Young people

- Offer for 100% of young people –increase participation
- Deliver entitlement, September Guarantee at 16 AND 17
- Roll out of diplomas
- Target efforts to reduce NEETs
- Significant growth in Apprenticeships
- Need to manage costs per young person over time

Total	£2,741	£2,883	£2,971	£3,261

CSR London Further Education Adult Budget

Key Messages

Adults & employers

- Key purpose of public funding to support people into work & to progress in work through better skills
- Public funding focus is on disadvantaged – particularly Job Centre Plus clients
- Colleges & providers to provide 'blended' offer to employers:
 - some fully funded by LSC
 - some where learners pay fees
 - some where employers pay fully
- Ramping up of Train to Gain activity required

What does this mean for London?

- Employability is central purpose:
 - Local Employment Partnerships/JCP partnership
 - Skills for Jobs
 - Employability Demonstration Projects
 - Embedded ESoL with job outcomes
- Train to Gain:
 - Scale up full level 2 and 3
 - New flexibilities
 - View it as a service to employers
 - Employer responsiveness
