THAMESMEAD ADULT SKILLS - THE EDUCATION ROUTE

15-19 December 2008

The TASTER campaign promotes the wide range of Adult Skills courses available in Thamesmead to local residents. There are plenty of opportunities for you whether you are looking to brush up your English and Maths skills or change career.

Throughout the week we will be putting on free activities and the TASTER Team will be out and about in Thamesmead Town Centre handing out Adult Skills Literature.

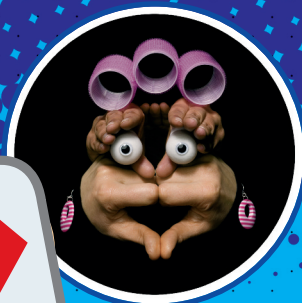

The week concludes with a fantastic interactive game show in Thamesmead Town Centre where we will be joined by some special guests.
