

Consultation on *Meeting Need: Raising Aspiration*
The North East's Strategy for LSC-Funded Provision for
Learners with Learning Difficulties and/or Disabilities (LLDD):
2007/08 to 2009/10

Please take into consideration the following questions whilst reading the draft strategy and comment as appropriate:

Have the right areas for improvement been identified for the region? If not, which do you consider to be missing?

Do you agree with the approaches/actions identified within the 6 themes?

Are there any other actions that you think the LSC should consider?

Are there any networks already in operation which could be built on to implement the strategy? Please provide the group and contact details.
