Apprenticeships – shaped by you
Directory of Provision 2009

Apprenticeships are a great way to improve the productivity, loyalty and quality of your staff through on-the-job training and structured learning.

There are over 180 different Apprenticeships available across 80 different industry sectors, so there should be one to suit your business.

Designed by employers for employers, an Apprenticeship is a work-based learning programme that allows you to train both new and existing staff.

To find out more about what Apprenticeships are and how they could benefit your business, call **08000 150 400** or visit www.apprenticeships.org.uk.

Please note: The learning provision listed in this publication was correct as at October 2008, however is subject to change.

Using this guide	4
Apprenticeship Provision (Level 2)	5
Business and professional services	6
Business functions	6
Construction and property	10
Engineering	13

Retail and leisure	38
Telecommunications and utilities	40
Transport and automotive	41
Learning Provider Contact Details	43

This directory lists the different types of Apprenticeships that are available in the North East region and gives details of the learning providers who can deliver the training in your local area.

To help you find the types of Apprenticeships that would suit your business the directory is divided into sectors and occupational areas.

Contact details for all the learning providers featured in the publication can be found at the back of the directory. Alternatively, you can call the national Apprenticeship helpline on **08000 150 400** or visit www.apprenticeships.org.uk for more information.
