

“Enhancing Lives” – A conference for FE and Sixth Form Colleges in the North West LSC Region

The purpose of the conference is to support FE and Sixth Form Colleges in preparing bids for the funding from LSC for Learning for Living and Work. This is capital funding to enable Colleges to provide technologies which will enhance the learning ability of those with Learning Difficulties and/or disabilities. The conference is a free event organised by RSC North West on behalf of LSC.

Target Audience

Members of SMT with a strategic overview of LLDD, Managers with operational responsibility for implementation and practitioners.

Venue

The conference is taking place as a whole-day event **at the City of Manchester Stadium on 14 January 2008.**

Aims

- Provide details of the bidding process for the funding and the timescales for the stages of the project
- Allow providers the opportunity for networking
- Encourage collaborative working/bidding
- Showcase existing good practice
- Stimulate ideas for the effective use of technology to support LLDD
- Provide the opportunity both for strategic thinking and on-the-ground practicalities

During the programme there will be both practitioners' workshops on a variety of topics and a forum for Senior Managers built around Disability Equality, as well as a clear explanation of the stages of the funding and project implementation process.

A detailed programme for the day and information about the booking process will be sent out by RSC North West as soon as possible.
