Please note that both of these Tender Events are "Open Access". For further information and to register an interest in these opportunities Organisations should visit the LSC tendering portal at:

**<https://lsc.bravosolution.com>**

Organisations who have not previously registered on the Portal will need to register in order to access these opportunities. To register please logon to the Portal at the above address and click on the “Click here to register” hyperlink located under the “Login / Register” box. Once registered you will be able to browse to the Tender Event/s and view all the specifications within each event. You will find the specifications and instructions by clicking on the “Attachments” link on the left hand side of the Tender Event page. Please ensure that you read all the instructions and relevant documentation fully, taking particular notice of the Tender Event/s submission deadline. The “Read Me First” document is a particularly useful reference document. 'Supplier Help Guides' can also be found on the homepages of the eTendering portal and there is an “Online Help” function which can be accessed by clicking the (?) icon on the right hand side of the portal pages. It provides support for both the screen you are in and for key processes, e.g. 'How to Express Interest' (it also has a help function and glossary).

Where project specific guidance and support is required please use the messaging service (click 'Messages' on the left-hand side of the page). It is not appropriate during the procurement process to use any other form of communication. We will endeavour to respond to your query within 48 hours.
