LSC

The funds listed below all contain an element of OCT provision which is eligible for use as ESF match funding. Within these programmes, the value and volume of learners is monitored annually and the LSC will be drawing the appropriate level of match funding from each of the programmes as required.

Priority 1

- **Entry to Employment (E2E)** - The E2E programme is an aspect of the generic Foundation Learning Tier and is aimed at those young people who are not yet ready to enter employment and require further short term support at entry and level 1. This is likely to be used as match funding in 07/08; 08/09 & 09/10
- **Young Apprenticeship Programme** - This programme is specifically for young people aged 14 -16 in full time education who wish to develop their vocational skills and interests in order to prepare for progression into further mainstream funded learning or employment with training. This is likely to be used as match funding in 08/09.
- **Skills for Jobs (SfJ)** - Currently Skills for Jobs is an umbrella term used to describe several stages of funded activity for workless adults. Many of these are ESF eligible and are therefore a match source. One such current fund under the SfJ umbrella is the skills delivery for JC+ clients. This is likely to be used as match funding in 07/08 & 08/09.
- **OLASS** - This offender learning programme maybe used for match funding from 08/09. Exact eligibility requirements are still being discussed at national LSC level.
- **Next Steps** - This Information, Advice and Guidance programme may be used for match funding from 08/09. Exact eligibility requirements are still being discussed at national LSC level.

Priority 2
