Leading learning and skills

The vision for the aacs 2010

The service will:-

- drive progression in learning, work and careers;
- draw together a range of advice and support on jobs, skills financial issues, childcare housing etc.
- support those in work and who are looking to progress in their careers;
- support those out of work looking to move into sustainable jobs;
- target intensive support on those who need it most.

Future Model - for the aacs
