## Qualifications Identified for Full Level 3 Repeats – Provider Briefing Note

### Background

1. As part of the flexibilities within Train to Gain, employers can now access funding for eligible learners who have already achieved a full Level 3 qualification, subject to availability of places.
2. This flexibility to fund learners to achieve additional 'repeat' qualifications is restricted to qualifications identified by Sector Skills Councils or sector bodies within their Sector Compact.

### Eligibility

3. Unless a qualification is eligible for funding in Train to Gain as a first qualification, it is NOT eligible as a repeat. Any updates to the list will be checked before the list is updated, but if any ineligible qualifications have been missed in this checking process at any time please contact [Dilveer.Brainch@skillsfundingagency.bis.gov.uk](mailto:Dilveer.Brainch@skillsfundingagency.bis.gov.uk).
4. Funding for repeat qualifications is as follows:
  - For mainstream Train to Gain funding full Level 2 are fully funded for first and Repeat during 200910 but will be an assumed employer contribution of 50% in 201011 for new starts and those in learning.
  - For mainstream Train to Gain full Level 3 there is an assumed employer Contribution of 47.5 % for first and repeat but will be an assumed employer contribution of 50% in 201011.
  - In addition First Level 3s for Jumpers and those aged 19-24 are fully funded.
  - In areas where there is availability of European Social Fund (ESF) funding for repeat qualifications, current contractual arrangements apply and the Skills Funding Agency will review what is available through ESF in line with changes to Train to Gain. For further information please contact your usual Skills Funding Agency contact.

For full information around qualifications and funding, please refer to the funding guidance on the Skills Funding Agency website.

<http://skillsfundingagency.bis.gov.uk/providersprogrammes>.

### Updating the List

5. Skills Funding Agency Coventry Office will amend the repeat Level 3 list to correct any keying errors e.g. aim reference numbers or where the qualification has been identified as not meeting the criteria for a 'full' Level 3.

6. Outside this process, the Skills Funding Agency will update the list as a result of new Sector Compacts announced.
7. The Skills Funding Agency are currently working through other Sector Compacts to clarify aim numbers and this list will be amended accordingly.

### Further information

8. Any queries should be directed to [Dilveer.Brainch@skillsfundingagency.bis.gov.uk](mailto:Dilveer.Brainch@skillsfundingagency.bis.gov.uk).
