

Training Offer for those Unemployed for 6 Months – Contract Summarisation Rules

Annex E

Colleges should note that the title appearing on Provider exception reports is: Training Offer for Long-term Unemployed (6 Month Offer)

These rules are only for use with contracts with a Contract Sub Type of “Training Offer for those Unemployed for 6 Months”. **Data should be submitted through the Employer Responsive ILR submitted to the ER collection (W**). Providers should pay particular attention to all key ILR fields (annex D) including A09, A10, A46, A61 and A62. These key fields need to be completed correctly for the summarisation to be effective.**

For these rules each start/achievement/progression is counted once for a given learner, even where multiple aims exist that pass the rule in question.
