Happy 19th birthday

You've just turned 19 and the Adult Learning Grant (ALG) may be the best present you get this year. If you're eligible you could get up to £30 a week,* which could give you money in your pocket to improve your skills.

You have to be learning full time – this means a course with an average of 12 hours' guided study per week, usually over an academic year – and doing your first full Level 2 or first full Level 3 qualification (including GCSEs, A-levels, BTECs or NVQs). If this applies to you, get in touch with us now and we'll help you sort it out.
