# Executive Summary

## Young People's Learning Agency Funding Guidance 2010/11

The Apprenticeship, Skills, Children and Learning Act (2009) established a new context for the funding arrangements for young people.

The National Commissioning Framework, published by the Young People's Learning Agency (YPLA) in April 2010 has been withdrawn following guidance from the Secretary of State and is no longer being applied from 1 August 2010.

This document sets out the national funding arrangements for young people's learning determined by the YPLA for 2010/11.

It updates the former Learning and Skills Council (LSC) *School Sixth Form Funding Guidance 2009/10* and *Funding Guidance 2009/10*. This document includes a link to each booklet published under the main heading YPLA *Funding Guidance 2010/11* (each separate document is listed below), and outlines the main features of the YPLA funding arrangements for 2010/11.

- *Funding Rates and Formula*
- *Learner Eligibility Guidance*
- *Funding Regulations*
- *Additional Learning Support*
- *ILR Funding Returns*
- *Partnership Provision Controls Guidance*

These booklets (and all necessary supporting forms and documents) are all now available from the YPLA website at:

<http://www.ypla.gov.uk/aboutus/ourwork/guidance/funding/>

Further information concerning the School Census 2010/11 preparation and guidance can be found on the Teachernet website at:

<http://www.teachers.gov.uk/management/ims/datacollections/sc2010/>.

The YPLA's general approach and strategic priorities for funding for all providers in 2010/11 is set out in 16-19 *Statement of Priorities and Investment Strategy 2010/11*. The YPLA has not restated the policy framework and imperatives in *YPLA Funding Guidance 2010/11* and therefore all Funding Guidance documents should be read in conjunction with the 16-19 *Statement of Priorities and Investment Strategy 2010/11*.

The name and link to each document are listed below. This document is intended to help those who wish to print the YPLA Funding Guidance document for 2010/11 in full. Links are to the most up-to-date version of each individual book. The only booklet now expected to be updated later this year is *ILR Funding Returns* for which a Version 2 is expected to be published later this year when this publication will also be updated.
