The submission deadline for both the short and the full Financial Management and Control Evaluation return is 30 November 2011. Providers should complete their FMCE return electronically and once approved, the FMCE return should be uploaded to the [Provider Gateway](#) in the Provider Financial Management (PFM) – FMCE folder within PFM reports on the Provider Gateway.

This action should be completed by no later than 30th November 2011. Early submission is encouraged especially if a full FMCE return is being submitted for the first time.

If providers have any queries regarding the FMCE process, then they should contact Ian Stafford at Ian.Stafford@YPLA.gov.uk, Tel: 01274 44418 or Malcolm Sevenoaks at Malcolm.Sevenoaks@YPLA.gov.uk, Tel: 07825 196668.
