Executive Summary

Young People's Learning Agency Funding Guidance 2011/12

The Apprenticeship, Skills, Children and Learning Act (2009) established a new context for the funding arrangements for young people.

This document sets out the national funding arrangements for young people's learning determined by the YPLA for 2011/12.

This updates and replaces for 2011/12 the YPLA Funding Guidance 2010/11. This document includes a link to each booklet published under the main heading *YPLA Funding Guidance 2011/12* (each separate document is listed below), and outlines the main features of the YPLA funding arrangements for 2011/12.

- *Funding Regulations*
- *Funding Rates and Formula*
- *ILR Funding Returns*
- *Partnership Provision Controls Guidance* (the 2010/11 document remains as the published guidance for 2011/12)

These booklets (and all necessary supporting forms and documents) are all now available from the YPLA website at:

The YPLA's general approach and strategic priorities for funding for all providers in 2011/12 is set out in documents *16-19 Funding Statement* and *Statutory Guidance 2011/12*. The YPLA has not restated the policy framework and imperatives in *YPLA Funding Guidance 2011/12* and therefore all Funding Guidance documents should be read in conjunction with these documents.

The name and link to each document are listed below. This document is intended to help those who wish to print the YPLA Funding Guidance document for 2011/12 in full. Links are to the most up-to-date version of each individual book.
