

Young People's
Learning Agency

Last updated - 30/11/2011.

Purpose

Information on data published by the YPLA and forthcoming releases. Additional details are provided to assist in identifying the data you require.

How often will the calendar be updated?

The calendar will be updated on the last day of each month. Note that new items may not be added each month.

Format

The format differs by publication (Word, PDF or Excel). Each publication is accompanied with supplementary information, such as FAQs and presentations. These may be available in other formats.

Providers

Published data can include all YPLA funded providers, or specific provider types (e.g. School and Academy Success Rates). For the 2011 Strategic Analysis narrative reports, 'All', refers to summary data (e.g. number of learners in Academies, schools or Colleges).

Level of data published

YPLA data is available:

'By Institution' - data based on institution location

'By residency' - data based on learner residence
